#### Newcomer programme

- The Newcomer Program is part of Mauritius Paddling Academy's recruitment efforts. New members are always welcome and may include veteran paddlers or paddlers who have never tried it. Outrigger and dragon boat paddling is for anyone who loves great fun and exercise, who enjoys being on the ocean, and who wishes to experience a water sport with a lengthy and rich tradition in Hawaiian and Polynesian cultures. No previous experience is necessary, although ability to swim is required and knowledge of the water through other water sports can be helpful.
- Newcomers should wear appropriate clothing such as swim trunks/shorts and synthetic fibre shirts since paddlers can get wet. Depending on weather and time of day, also bring a hat, sunglasses, wind proof jacket, and wear sun block. Canoes, dragon boats, paddles, life jackets and a safe place to store belongings are provided.

### **Recreational programme**

- Recreational sessions are aimed at developing and implementing programs designed to meet the needs of individuals engaged in the non-competitive aspects of paddling.
   Recreational workouts are held one to three times per week and may be more frequent, as daylight and weather conditions allow.
- The recreational paddle sessions allow for social paddles, workouts for non-racing paddlers, and the opportunity for racing paddlers to keep their skills during the offseason. While newer paddlers are generally welcome they are encouraged to develop skills through one of the new paddler programs.

### Racing programme

- Coached racing sessions are held to develop and promote paddle sport athletic competition at all levels. Coached sessions are held up to three times per week for each of the programs during the pre-race and racing season. Sessions are typically 2 hours in length or longer and are led by the head coach or the division coaches.
- Coached workouts for youth paddlers are held as demand warrants. Instruction programs designed to introduce, inform, and train paddlers of all skill levels in all aspects and areas of paddling.
